

**Pet Partners**  
Providing fun, collaborative, community education since 2012

## Upcoming Events

**Saturday, September 24, 2016, 12pm-3pm**

### *What is Rally anyway?!?!?*

Interested in agility? Like to play games and have fun with your dog? You don't have to be sports-oriented for our family-style Rally class! Join Behavioral trainer Alli Jerger for a 30-minute introduction to Rally and run a fun course with your dog! Suitable for both dogs and puppies, of all ages and fitness levels.

**Bring your dog? Yes!** *NO BONES ABOUT IT...* Dogs must be "people friendly," "dog friendly," current on all vaccinations, and leashed with a 4' – 6' non-retractable leash. Owners are responsible for picking up doggy doo!

**Location: Humane Society of Jefferson County (outdoors)**

**Monday, October 10, 2016, 6:30-8:30pm**

### *3 days, 3 weeks, 3 months – What to expect with a new dog/puppy in your home*

So, you just got a new dog. Or, you're about to get one. What now? Lake Mills Veterinary Clinic behaviorist, Mittsy Voiles, will walk you through what to expect in the first days, weeks, and months, to get you and your dog off to a great start. Topics include socialization, exercise, nutrition, manners training, potty training, and how to avoid common mistakes that may trigger fearful/defensive aggression.

**Bring your dog? No, sorry, this session is for people only.**

**Location: Humane Society of Jefferson County (indoors)**

**Monday, November 14, 2016, 6:30-8:30pm**

### *What is your dog saying?*

A growl might stop you in your tracks, but do you notice a yawn? Dogs speak with their bodies. They use tails, ears, mouth movement, eyes, posture, and vocalization to signal their intent (let's play!) and display emotions like stress and joy. Come learn how to listen better to your dog, and to "speak" dog back! Join Lake Mills Veterinary Clinic Behaviorist, Mittsy Voiles, for this free workshop.

**Bring your dog? No, sorry, this session is for people only.**
